WORK EXPERIENCE

HiIT PLC

Lagos, Nigeria

Web Development Intern

Apr 2024 - Oct 2024

- Collaborate with developers to create responsive websites, ensuring cross-device compatibility and optimized user experience.
- Assist in implementing front-end designs using HTML5, CSS3, and JavaScript to match client specifications.
- Develop and integrate interactive elements using frameworks like React and Angular for dynamic user interfaces.
- Support back-end operations by working with Node.js and Express.js to manage server-side logic and API integration.
- Conduct debugging and testing to identify and resolve issues for site functionality and performance.
- Participate in project planning sessions, contributing ideas to improve web development processes and project outcomes.

DEVART SOFTWARE CO.

Gonawala, Sri Lanka

Digital Marketing Intern

Aug 2021 - Sept 2021

- Collaborated with the digital marketing team to strategize and execute a campaign targeting the African market.
- Assisted in developing content and promotional materials to increase brand visibility and engagement across digital platforms.
- Analyzed market trends and customer data to help tailor marketing efforts to resonate with the African audience.
- Monitored campaign performance metrics and provided insights and recommendations for optimization and improved reach.
